

***Buckhorn High School Band  
School Owned Instrument Contract***

The purpose of this contract is to cover any instance of damage that is done to a school owned instrument.

Upon the checkout of a school owned instrument this will be the checklist gone through between the director and the student stating all defects and the general condition of the instrument to be used. We strongly recommend that you the parent/guardian try and be present for this checkout but due to so many different schedules we find this difficult to schedule. If anytime during the possession of this instrument if it is damaged it will be the sole responsibility of the parent/guardian for the cost of these repairs. This will not include normal wear and tear of the instrument but this is at the discretion of the director.

By signing this contract I understand that I'm solely responsible for any damage done to the instrument that is in the possession of my student and will be responsible for the cost of any and all repairs.
