

APRIL 2020 BOOSTER MEETING

Hello Band Boosters,

Due to COVID19 quarantine we're unable to hold our April voting meeting so we'll be using a confidential, electronic ballot application to vote for booster president & bylaws amendment. As of the March 31st deadline, there were no other board nominations received. Therefore, voting will be for the position of president only. All other positions are uncontested.

Voting will be open through April 30th. Results will be announced in May based on the majority of votes submitted.

No account set up required to vote. Your vote is important and completely confidential. By default, the election administrator cannot see how a voter voted. Once a voter submits their ballot it cannot be changed by the voter or the election administrator. A unique Voter Key is auto assigned to each voter to allow voters to vote only once.

We'd like to take this opportunity to once again thank all of the candidates for their willingness to serve as booster board members. Together, with your help, they play an important role in the success of this program to provide a positive experience for our students. We'd also like to thank each booster member for your continuous support through your participation. We truly could not do it without you!

Sincerely,

--
